

# Human Trafficking 101

## Training for the Community

January is recognized as Human Trafficking Prevention Month, a national campaign dedicated to increasing awareness about human trafficking and educating the public about how to identify and prevent this crime. By fostering informed communities, we can collectively create safer environments for all Arizonans and reaffirm that Arizona has zero tolerance for human, sex, or labor trafficking.

On behalf of the Governor's Council to Combat Human Trafficking in Arizona, join the Governor's Office of Youth, Faith and Family (GOYFF) for a **free, virtual** Human Trafficking 101 Training facilitated by the Arizona Anti-Trafficking Network (AATN).
