RX SAFE STORAGE AND DISPOSAL

TAKE ADVANTAGE OF YEAR-ROUND DROP-OFF LOCATIONS

Clear out your medicine cabinets to help prevent drug use and misuse before it starts. You can safely dispose of old, unneeded, or unused medications at over 16,500 pharmacies, hospitals, and businesses nationwide that provide year-round disposal options. Additionally, many local police departments have medication disposal drop boxes available throughout the year, making it easier and more convenient for everyone in the community.
