

Service Enterprise Initiative (SEI) UPDATE – March 22, 2023
Arizona Governor’s Commission on Service and Volunteerism

- The Association of Leaders in Volunteer Engagement (AL!VE) is currently updating the virtual and in person curriculum. [note; AL!VE took over day-to-day operations of Service Enterprise, under Points of Light oversight].
- Two fellow Commissioners, Tori Carlson, Interfaith Community Services (a Service Enterprise) and Donna Martin, Boys and Girls Clubs of the Valley (a Service Enterprise) joined Susan Nusall, Arizona Foundation for Legal Services and Education (a Service Enterprise), and Sandra Freyer, Service Enterprise Program Manager at the ASU Lodestar Center to complete the annual train-the-trainer sessions through AL!VE.
- The ASU Lodestar Center has stepped up marketing of SEI to stakeholders. Organizations are encouraged to learn more about Service Enterprise and to apply to be accepted to join the 2023 Spring and Fall Cohorts. For now, the training model will be virtual, extending the reach of SEI to communities across Arizona. Contact Sandra Freyer at sandra.freyer@asu.edu for details.
